

Literary Analysis

ALLEGORY

An **allegory** is a story with two levels of meaning. You may read it on one level as an adventure story, but on another level, the characters, settings, and events stand for abstract qualities and ideas, and the story has a moral message.

Directions: Use this chart to identify a possible symbolic meaning for each character or place. Include details from the story to support your interpretation.

	Possible Meaning	Supporting Details
1. Christian	all people	
2. Faithful		
3. Vanity Fair		
4. Jury Members		
5. Celestial City
