Vocabulary Strategy

THE LATIN PREFIX *trans-*

Many English words and word parts come from Latin. The Latin prefix *trans-* can mean “over, across, or through,” “change,” or “above and beyond.”

A. Directions: Use your knowledge of word parts to write the meaning of each word below. Then, check your responses in the dictionary.

1. transcend

2. translucent

3. transnational

4. transoceanic

5. transplant

6. transform

B. Directions: Choose one of the words from Exercise A. Write a sentence that uses the word in context.
