**Read for Information****SYNTHESIZE**

When you synthesize information, you put facts and ideas from more than one source. As a result, you gain a deeper understanding of a person or a topic.

**Directions:** In the graphic organizer, take notes on Macbeth as represented by each writer. Then write your thoughts about why people take interest in an historical character and how they might respond to the different faces of the Scottish king. Finally, outline a travel article describing how tourism is affected by the Scottish Parliament's decision to bring the real Macbeth to life. Use the back of this sheet if you need to.
