READING SHAKESPEAREAN DRAMA

Shakespearean drama can be challenging to read. You can use helpful guides such as the plot summaries and sidenotes to improve your understanding. You can read important speeches aloud to “hear” the clues they give you about characters and themes. You should be aware of the unusual grammatical constructions Shakespeare uses. You can also take notes while you read.

**Directions:** As you complete each act of the play, use the chart to list the actions of Macbeth. Then tell what each action reveals about his character. Use the back of this sheet if necessary. An example has been done for you.

Character: Macbeth

Actions	What Actions Reveal
He defeats the army on the battlefield.	He’s a brave and inspiring soldier and general.
