

Producing a Docudrama

SPEAKING AND LISTENING

Often filmmakers draw storyboards of scenes in a film before they begin shooting. Storyboards help them plan each scene and shot.

Directions: Use the lines below to write a quick summary of each shot in your docudrama scene. Then, make a quick sketch in the box to storyboard the shot.

• Short 1: _____

• Short 2: _____

• Short 3: _____

• Short 4: _____
