Directions: Recall the events in Trevor’s short story. Then answer each question in one or two sentences.

1. How are the political views of the Middletons different from those of the rest of the townspeople?

2. What incident had occurred years before between Mr. Driscoll and the Middletons?

3. Why did the town begin to prosper after World War II?

4. How does the change in political climate affect the economy of the town?

5. How does the townspeople’s behavior toward the Middletons change in the 1960’s?
