FORMULATE RESEARCH QUESTIONS

Once you have a topic in mind, you will need to develop specific questions that you want to answer in your research paper.

Directions: Write your topic on the first line. Then write four questions that you want to find the answers to. Highlight any keywords—terms, names, or phrases that are specific to your topic.

Topic: _____

1. Question 1: _____

2. Question 2: _____

3. Question 3: _____

4. Question 4: _____
