

## WRITING WORKSHOP

## COPY MASTER

**Research Paper****CREATING A WEB SITE**

You can create a Web site to share the results of your research.

**Directions:** Think about how you can bring the subject matter to life for an audience. Use the graphic organizer to plan your Web site. First, write a brief description of your purpose. Then make a list of visuals and sounds that you can incorporate into your Web site.

Purpose of My Web Site

Visuals, Audio or Video Clips, Music, and Sound Effects That I Can Use
